Tina Arena, Stay

As the days go by without number
One by one
As the clouds divide
I sit and wonder
When our time will come
From the Northern Lights
To the Southern Cross
Between the earth and
The Milky Way
I must chart my course
As I go back and forth
And I wonder if it ever will change

Some day
Maybe not so far away
One day
I'll be in your arms to stay
You don't know what I'd give
You don't know how it is
You don't know what I'd give
So stay

Another day
Another night is over
What have we to show
Another mile
Hello, goodbye
There's a million more to go
To overcome my fear
When I'm way up here
I close my eyes and silently pray
It's too sad a fate
For me to contemplate
All this precious time slipping away

Some day
Maybe not so far away
One day
I'll be in your arms to stay
You don't know what I'd give
You don't know how it is
You don't know
You don't know what I'd give
So stay yeah yeah yeah

Oh yeah
You don't know what I'd give
You don't know how it is
You don't know
You don't what I'd give
What it's like to stay

Yeah
I will be in your arms yeah yeah
Not so far away
In your arms to
In your arms to stay
I will be in your arms
I will be in your arms
