

A.F.I., Let It Be Broke

I live in truth, complacently.
Where's the threat you see in me?
Am I the cause of your Self consciousness?
You scream at me 'cause I can't ignore
the destructiveness that you support,
'cause my life's contrary to yours.
No soft words from my mouth.
A glazed look in your eyes.
I live in the world of reality,
you comfort yourself with lies.
I will release myself, I will detach myself from you.
I will detach myself from your kind.
I've seen your life but I can't see
how it is that you can be
so content in your own ignorance.
Its been so dark for so long
now a new light has come along,
illuminating all,
so shut your eyes.
No soft words from my mouth.
A glazed look in your eyes.
I live in the world of reality,
you comfort yourself with lies.
I will release myself, I will detach myself from you.
I will detach myself from you kind.
I won't tell you what you want to hear,
I will show you what's real.
I will, will defy.
