Tina Charles, Makin' All The Right Moves

Makin All The Right Moves
Hey babe
If you wanna pair of arms to hold you tight
And you need a woman who can turn you on tonight
You know that you
Been making all the right moves
Been finding all the right grooves
Doing watcha gotta do
To keep me la la la la la loving you
To keep me wa wa wa wa wa wanting you
Hey babe
Think of me like blueberry pie a sweet delight
Hot but from the oven am I ? do what your appetite
You know with you
Repeat
Like a clock you can count upon
Baby time is right on
Less that body that just wont quit
If I ever need anything you are it
So babe
If you wanna pair of arms to treat you right
And you need a woman who can blow your mind tonight
You know that you
Repeat
Alright oh oh oh oh!
You know that you
Repeat
