

A.F.I., Paper Airplanes

Raise high monolithic statues so fragile, as they fall

I am ever enthralled

Gaze, lie and smirk in time

Your arrogance will suit you well

'Til fashion is dispelled

As waves of plastic fame go out of fashion

You're goin' out, goin' out, forever unknown

These waves of plastic fame go out of fashion

(You got to go forever unknown)

You're goin' out, goin' out

(You got to go forever unknown)

Unknown

(From above a rain of ashes, descends anathema)

Descends anathema

I will remain, forever will remain from below

In my seclusion

Look up to the sky to see

(See paper wings)

And watch them burn

Without habitation, you'll never find a soul inside

No life, but nothing's died

No lights, but quite the show

Just as long as no one ever knows

All motion is pantomime

As waves of plastic fame go out of fashion

You're goin' out, goin' out, forever unknown

These waves of plastic fame go out of fashion

(You got to go forever unknown)

You're goin' out, goin' out

(You got to go forever unknown)

Unknown

(From above a rain of ashes, descends anathema)

Descends anathema

I will remain, forever will remain from below

In my seclusion

Look up to the sky to see

(See paper wings)

And watch them burn

Dancin' in the rain of descendin' ash

Dancin' on your grave, I'll see you

(All fallin')

Dancin' in the rain of descending ash

Dancin' in your dust, I'll see you

(All fallin')

(Stop)

I'd stop it, had you a heart

(Your heart)

I'd stop it, had you a heart

(Your heart)

(From above a rain of ashes, descends anathema)

Descends anathema

I will remain, forever will remain from below

In my seclusion

Look up to the sky to see

(See paper wings)

(See wings)

And watch them burn

(From above a rain of ashes, descends anathema)

Descends anathema

I will remain, forever will remain from below

In my seclusion

Look up to the sky to see

(See paper wings)

(See wings)

And watch them burn
Oh we watch ya
