

# A.F.I., Total Immortal

Hope unknown  
Sometimes just waking is surreal  
I pass right through the nameless ones  
I know that hope's unknown  
Sometimes the water feels so real  
As I walk through it fills my lungs  
My god I'm drowning  
This day never seems to end  
(this pain never)  
This pain never seems to  
This rage I can not let go  
I hear them calling  
I feel them gnawing out holes,  
Holes through flawless souls.  
I hear them calling  
I feel them gnawing out holes,  
Holes through flawless, flawless souls.  
So alone  
Sometimes I swear that I can hear  
The taunting of the voiceless ones  
I fear that I alone  
Fear those who finally ceased to feel  
That they're alone inside this place  
I am the misplaced  
This day never seems to end  
(this pain never)  
This day never seems to end  
This rage I can not let go  
I hear them calling  
I feel them gnawing out holes through all our flawless souls  
Now every face, it looks familiar  
Then every face would melt away until  
Now everyone, do you know I know your deception?  
I hear them calling  
I feel them gnawing out holes through all our flawless souls
