Tynisha Keli, Wonder Why

"Wonder Why"

Why The Pillow Is Cold On The Other Side At Night

Just The Other Day
I Was Sitting By The Phone Waiting For You To Call...
Right Then I Realized,
Never Deserved For You To Use My Love, Then
Put It On Hold...
Never Ever Thought Id Ever Give You Up But Uhh..I Gotta
Break The Habit Ive Just Had Enough..
You Know That This Went Wrong,
Dont You Try To Play It Off,Im So Gone..
Only Thing I Need To Know Is Why??

(Chorus:)
I Wonder Why...
You Never Had My Back Now You Try Hard To Act Like...
You Never Lied..When I Called You A Thousand Times
Though You Aint Around
Boy All This Time, Gonna Make A Sudden Change
So Im Jumpin In My Range
Baby You Can Keep The Change
You Can Wonder Why
Why The Pillow Is Cold On The Other Side At Night

Mmmmm....

Now That Im On My Way
I Cant Turn Back Now On The Road To Yesterday
Ive Come To Far By Now, I Dont Regret You
But Im Glad I Finally Found My Way..
Now The Time Has Passed Boy You Can See Your Mistakes
Wish It Didnt Take For You To Lose Me To Change
Everything Is How It Sposed To Be And They Say That Time Heals Everything
Well See..Only Thing I Need To Know Is Why..

(Chorus:)
I Wonder Why...
You Never Had My Back And You Tryed Hard To Act Like..
You Never Lied..When I Called You A Thousand Times
Though You Aint Around
Boy All This Time, Gonna Make A Sudden Change
So Im Jumpin In My Range
Baby You Can Keep The Change
You Can Wonder Why
Why The Pillows Cold On The Other Side At Night

If You Ever Need A Friend In The Future
Ill Do My Best To Be There I Wont Hurt Chaa
Just Leave The Past Where It Belongs
'cause I Moved On, And I Forgive You Even Though You Did Me Wrong
(Did Me Wrong..W/ 1st Round) (x2)
