

A.F.I., Who Said You Could Touch Me?

Who said you could touch me?

You don't know I am so, you can not get close to me and I don't know who you are, so just leave me alone.

I know you can't believe the anxiety you're causing me and I know you can't believe your fake compassion I don't need.

Get away from me, You're standing too close.

Keep your hands off of me.

Keep away from me, Just leave me alone, who said you could touch me anyway?

Don't try to rub my shoulders and don't try to hold my hand.

Don't try to give me a fucking hug.

You crawl.

Get away from me, You're standing too close.

Keep your hands off of me.

Keep away from me, Just leave me alone, who said you could touch me anyway?
