Various, Seretenize

Come on everybody, gather 'round
I'm going to show you how to knock 'em down
When I'm on the ball, I'm the number one
And I'm gonna show you how it's done
Let's bowl, let's bowl, let's rock n' roll
Hey come on, let's the show on the road
Let's bowl, let's bowl, let's rock n' roll
The stakes are a bomb that's about to explode
We're gonna score tonight
We're gonna score tonight
If you're looking for a fight, and the time is right
We're gonna wipe the floor with you tonight
We're gonna score tonight
We're gonna tonight
We're gonna rock, we're gonna roll, we're gonna bop, we're gonna bowl
We're gonna score, score, score tonight
Hey Paulette, take a look over here
I'm your kingpin honey, and I'm getting in gear
Hey Johnny, Johnny, go and bowl that strike
And I just might be your baby tonight
Let's bowl, let's bowl, let's rock n' roll
Hey, come on, let's get the show on the road
Let's bowl, let's bowl, let's rock n' roll
The stakes are high, and the winner takes all
We're gonna score tonight
We're gonna score tonight
Don't get sore when you lose tonight
We're gonna show you how to do it right
We're gonna score tonight
We're gonna score tonight
We're gonna score tonight
We're gonna score tonight
We're gonna score tonight
