

# A Fine Frenzy, World Without

It must be written that the moon&lt;br /&gt;  
Elbowed the stars and said&lt;br /&gt;  
Let's do our best to make it hard for them&lt;br /&gt;  
&lt;br /&gt;  
Your house turned into paper cranes&lt;br /&gt;  
We watched the wind blow them away&lt;br /&gt;  
Some sorry comfort I was then&lt;br /&gt;  
&lt;br /&gt;  
The weight of a mountain&lt;br /&gt;  
The skin off your knees&lt;br /&gt;  
Come climbing up to me&lt;br /&gt;  
&lt;br /&gt;  
We can work this out, I believe&lt;br /&gt;  
Although it seems impossible&lt;br /&gt;  
&lt;br /&gt;  
They turned our skeletons to wood&lt;br /&gt;  
And scattered matches underfoot&lt;br /&gt;  
We must walk carefully these days&lt;br /&gt;  
&lt;br /&gt;  
The circles darken 'round our eyes&lt;br /&gt;  
And yet our bodies, when combined&lt;br /&gt;  
They gleam like diamonds in a cave&lt;br /&gt;  
&lt;br /&gt;  
The weight of a mountain&lt;br /&gt;  
The skin off your knees&lt;br /&gt;  
From climbing back to me&lt;br /&gt;  
&lt;br /&gt;  
We can work this out, I believe&lt;br /&gt;  
Although it seems impossible now&lt;br /&gt;  
Keep the world without&lt;br /&gt;  
only the two of us count&lt;br /&gt;  
&lt;br /&gt;  
Two voices loud, it is possible now&lt;br /&gt;  
They try to tear us down&lt;br /&gt;  
We'll find our way again&lt;br /&gt;  
&lt;br /&gt;  
Heloise gave her whole heart to Pete&lt;br /&gt;  
Now eternally sleeps by his side&lt;br /&gt;  
Oh, go ahead, fate, oh, give us your best&lt;br /&gt;  
What is worth living for is worth a fight&lt;br /&gt;  
into the night&lt;br /&gt;  
&lt;br /&gt;  
We can work this out, I believe&lt;br /&gt;  
Although it seems impossible now&lt;br /&gt;  
Yeah, without a doubt, we'll work it out&lt;br /&gt;  
&lt;br /&gt;  
They can hurt us now on my knees&lt;br /&gt;  
It makes me want to scream and shout&lt;br /&gt;  
Yeah, we'll work this out, just the two of us&lt;br /&gt;  
Keep the world without, keep the world
