Walters Jamie, I'd Do Anything For You

Nothin's gonna hurt here
As long as I am here
We're both livin' for the same dream
And I won't desert you
So c'mon and dry your tears
You know it's never as bad as it seems
It just kills me
To see that you've been cryin'
Everybody needs
Someone to help 'em sometime
I'd do anything for you
I'd change the world
And give it back to you
And everything I got
I'd give it all to you
I'd do anything for you
When nobody sees you
And nobody hears a word
Let me be the one you come to
And all those wishes
That you thought no one heard
I would try to make 'em come true
And it just kills me
To see that you've been cryin'
Everybody needs
Someone to help 'em sometime
Chorus
Look at me
I'm just like you
And everything you need
Well I need it too
Chorus
I'd do anything for you
I'd do anything for you
