Wheel Catherine, Painful Thing (Ep Version)

You don't know anything at all
Excuses always seem to fool you
I cannot come in case you call
All I can really say
It drags me down, down
I'm hot and cold all over
I'm hot and cold all over
Your love weighs down my shoulders
I'm hot and cold all over
Your love is such a painful thing
She knows where she has to go
She knows that I don't want to burn her
A woman's feet begins to slow ???
I'll catch your every breath ???
It drags me down, down
I'm hot and cold all over
Your love is such a painful thing
I'm hot and cold all over
I'm hot and cold
I'm hot and cold all over
I'm hot and cold all over
