Zakk Wylde, Throwin' It All Away

"Throwin' It All Away"
Zakk Wylde

You couldn't feel the sunlight upon your face
Your little world, a little out of place
You couldn't hear the ocean,
You couldn't hear the waves
I know you meant to come back, I know you meant to stay

All you touched
All you know
All you loved - yeah

Well I can see your smile, can you see my tears?
I reach to hold you, but you ain't there
You left a hole so big, Lord, beyond repair
I'll try to find forgiveness in takin' what we'll never share

All you touched
All you know
All you loved
You just left them with nothing to say
You're just throwin' it all away
No you didn't care to see the light of day
You're just throwin' it all away
Like the sand upon the shores
Your crashing waves, came took you away

All you touched
All you know
All you loved
You just left them with nothing to say
You're just throwin' it all away
No you didn't care to see the light of day
You're just throwin' it all away
Like the sand upon the shores
Your crashing waves, came took you away

You're just throwin' it all away
No you didn't care child,to see the light of day
You're just throwin' it all away
Like the sand upon the shores
Your crashing waves, came took you away
