I love the way you look so sexy, gonna rain, need a big coat
She hit me with a late-night text, she want me over, date-night sex
I love the way you look so sexy, gonna rain, need a big coat
She hit me with a late-night text, she want me over, date-night sex

Oh là là, ta chérie m'appelle, elle m'appelle
Tout le temps, elle baise avec moi
I tell her again and again
I'm a thug, could go hard
She wanna get freaky with a bad boy
Flight, take her on a flight, oh, yeah
We kick it, kick it in the sky, girl
I'm sliding up, so she call me Michael

I love the way you look so sexy, gonna rain, need a big coat
She hit me with a late-night text, she want me over, date-night sex
