1% is all I hate

The other 99 I rate

Things that make me feel like I'm alive, woah...

Rocky One, summer sun, 10 foot of snow, big theme parks

I said Columbo, easy b-sides, and royalty cheques, happy hours

Problem is we don't have long

The list is longer than the song

Please don't miss the point and say I'm wrong, oh...

Tony Hawk, fat cigars, concrete skate parks, lyric swappin'

Body poppin', Jedi mind tricks, and mountain songs, sell out gigs

Ian Wright and satellite are

Good Idea (x8)

Give me a G-O-O-D

Give me an I-D-E-A
