

# a Guy, We could be lovers

a Guy

Moulin Rouge

We could be lovers

Ewan McGregor (speaking): Love is a many-splendored thing

Love lifts us up where we belong

All we need is love!

Nicole Kidman (speaking): Please, don't start that again...

EM: All you need is love

NK(speaking): A girl has got to eat

EM: All you need is love

NK(speaking): Or she'll end up on the street

EM: All you need is love...

NK: Love is just a game

EM: I was made for lovin' you baby

You were made for lovin' me

NK: The only way you're lovin' me baby

Is to pay a lovely fee...

EM: Just one night, just one night

NK: There's no way, cuz you can't pay

EM: In the name of love

One night in the name of love

NK: You crazy fool

I won't give in to you

EM: Don't... leave me this way

I can't survive without your sweet love

Oh baby, don't leave me this way

NK: You'd think that people

Would've had enough

Of silly love songs

EM: I look around me

And I see, it isn't so, no

NK: Some people wanna fall in love

With silly love songs

EM: Well, what's wrong with that

I'd like to know

Cuz here I go again...

Love lifts us up where we belong

Where eagles fly from a mountain high

NK: Love makes us act like we are fools

Throw our lives away

For one happy day...

EM: We could be heroes, just for one day

NK: You... you would be mean

EM(speaking): No, I won't!

NK: And I... I'll drink all the time!

EM: We should be lovers!

NK: We can't do that

EM: We should be lovers

And that's a fact

NK: Though nothing will keep us together

EM: We could steal time

Both: Just for one day

We can be heroes, forever and ever

We can be heroes, forever and ever

We can be heroes...

EM: Just because I... will always love you

NK: I...

Both: And I'm glad it's... you

NK: How wonderful life is...

Both: Now you're in... the world...
