A-ha, Dont do me any favours

You offer your assistance But you won't accept my help You draw your own conclusions And there's room for little else Your own participation's Based on how much you can lose I cannot help but feel That this won't be of any use Don't offer me your credit 'Cause I do not want the blame Don't do me any favors I don't wanna play that game I do not want to see myself As someone that you saved I'd rather be your adversary Than to be your slave 'Cause every friendly gesture Turns my stomach inside out Don't do me any favors I am better off without

Don't offer me your credit 'Cause I do not want the blame Don't do me any favors I don't want to know your name But it's alright, yes it's alright Yes, it's alright, yes, it's alright Yes, it's alright Don't offer me your credit 'Cause I do not want the blame Don't do me any favors I don't want to know your name Don't do me any favors Don't do me any favors Don't do me any favors 'Cause it's alright, yes it's alright It's alright, yes, it's alright Alright, yes, it's alright
