

# A-ha, I'm In

Give in  
Don't give up  
Breathe  
Don't you stop

Breathe in  
Just breathe  
There are times  
Good times after these

Whatever you want or need  
Wherever you have to be  
Whatever you have to believe  
I'm in  
Begin

Never give up  
Never you stop  
Don't let forces that pull us apart  
Think they can win

Just believe  
Whatever they say  
There is a door to a future unseen  
Leading this way

Whatever you think you're worth  
However much you hurt  
Whatever you have to believe  
I'm in  
Begin

Whatever you want or need  
Whatever it takes to be free  
Whatever you have to believe

I'm in  
Begin
