

# A Human And His Stds, Beautiful People

There once was a bumper sticker that read : Practice Random Kindness and Senseless Acts Of Be  
And the most beautiful people I have met, were also the kindest  
And the most beautiful people I have met, were treated the worst  
And the most beautiful people I have met, always leave my life  
But you can't expect to keep them forever, cuz they'll leave you sooner or later. Everyone does, in  
And the most beautiful people I have met, will live forever  
And the most beautiful people I have met, make more of a difference  
Than regular people, like me
