A Human And His Stds, Pour Me

I wanna rock and roll, all night your Dad says, while your mother looks through Cosmo Magazine. Oh Pour me, Pour me another drink But you know what, no matter how much ya' fucked up you still got a place to sleep. And no matter

Oh Pour me, Pour me another drink

The truth about parents, boys and girls, is that their more messed up than we are. And what really Oh Pour me, Pour me another drink..
