

A New Found Glory, 3rd and long

Pick up the pieces that I've left behind
I woke up today feeling older
And never so much better
I know I talk in circles
I never wanted to avoid
Your conversation
You see yourself in my eyes
Another day has passed us by
The more time I spend
The less I see of you
I'll never take it back
Your voice is like an angel
Guiding over every move I make
I'll never want it back
The direction that you've gave me
Nothing can replace what I gained
You see yourself in my eyes
Another day has passed us by
The more time I spend
The less I see of you
Time grabs me
