A New Found Glory, 3rd and long

Pick up the pieces that I've left behind I woke up today feeling older And never so much better I know I talk in circles I never wanted to avoid Your conversation You see yourself in my eyes Another day has passed us by The more time I spend The less I see of you I'll never take it back Your voice is like an angel Guiding over every move I make I'll never want it back The direction that you've gave me Nothing can replace what I gained You see yourself in my eyes Another day has passed us by The more time I spend The less I see of you Time grabs me
