

# A New Found Glory, Anniversary

A New Found Glory  
Miscellaneous  
Anniversary

i thought i'd write you something to remember me by  
a comemorative for the 2 years you spent by my side  
but every day is a new mistake  
a new song to be written and erased  
why would you listen anyway?  
finally i'm going on with my life  
what a big mistake it was, saving all my good-bye's  
i'm not the type of person to get over it  
it's stuck in the back of my mind along with the time we spent  
finally i'm going on with my life  
what a big mistake it was, saving all my good-bye's  
by the end of the year, you wont even be there  
what a big mistake it was, i wanted you to be there  
piece it together along with all the rest  
dont forget to write  
warm you cold shoulder, dont listen to what they say  
what they say  
i thought i'd write you something to remember me by  
finally i'm going on with my life  
what a mistake it was saving all my good-bye's  
by the end of the year, you wont even be there  
what a big mistake it was, i wanted you to be there  
i wanted you to be there
