Dressed to Kill

I know it's hard for you
To understand what I'm going through
But now I sit here to remind myself
You're always dressed to kill
And you feel like you owe it to the world
But you owe it to yourself
And you're, you're not here
And I can't stop pretending
That you're forever mine...

And I

I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep
Cheer up my friends all say
You're better alone anyways
But you're always on tour
And you're never home
I'm always dressed to kill
And I feel like I owe it to the world
But I owe it to myself
And you're, you're not here
And I can't stop pretending
That you're forever mine...

And I

I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep
Cheer up my friends all say...
And I can't stop pretending
That you're forever mine
You're better alone anyways
And you're not here, not here
I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep
Cheer up my friends all say...
