

# A New Found Glory, My Heart Will Go On

Every night in my dreams I see you, I feel you  
That's how I know you go on  
Far across the distance and spaces between us  
You have come to show you go on  
Near, far wherever you are  
I believe that the heart does go on  
Once more you open the door  
You're here in my heart and my heart will go on and on  
Love can touch us one time and last for a lifetime  
And never let go till we're gone  
Love was when I loved you one true time I hold to  
In my life we'll always go on  
Near, far wherever you are  
I believe that the heart does go on  
Once more you open the door  
You're here in my heart and my heart will go on and on  
You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You're safe in my heart and my heart will go on and on
