## A Perfect Circle, Let's Have A War

There's so many of us, So many of us, So many, there's so many, there's so many

Let's have a war, So you can go and die, Let's have a war, We could all use the money, Let's have a war, We need the space, Let's have a war, Clean out this place

It already started in the city, Suburbia will be just as easy

Let's have a war,
Jack up the Dow Jones,
Let's have a war,
It can start in New Jersey,
Let's have a war,
Blame it on the middle-class,
Let's have a war,
We're like rats in a cage

It already started in the city, Suburbia will be just as easy

Let's have a war, Sell the rights to the networks, Let's have a war, Let our wallets get fat like last time, Let's have a war, Give guns to the queers, Let's have a war, The enemy's within

It already started in the city, Suburbia will be just as easy
