

# A Perfect Circle, Weak And Powerless (Tilling My

Tillin' my own grave to keep me level  
Jam another dragon down the hole  
Diggin' to the rhythm and the echo  
Of a solitary siren  
One that pushes me along and leaves me so

Desperate and ravenous  
So weak and powerless  
Over you

Someone feed the monkey  
While I dig in search of China  
White as dracula as I approach the bottom

Desperate and ravenous  
So weak and powerless  
Over you

Little angel, go away  
Come again some other day  
The devil has my ear today  
I'll never hear a word you say  
Promised I would find a little solace  
And some peace of mind  
Whatever, just as long as I don't feel so

Desperate and ravenous  
So weak and powerless  
Desperate and ravenous  
So weak and powerless  
Over

Over you
