

A Perfect Circle, Weak And Powerless (Tilling My

Tillin' my own grave to keep me level
Jam another dragon down the hole
Diggin' to the rhythm and the echo
Of a solitary siren
One that pushes me along and leaves me so

Desperate and ravenous
So weak and powerless
Over you

Someone feed the monkey
While I dig in search of China
White as dracula as I approach the bottom

Desperate and ravenous
So weak and powerless
Over you

Little angel, go away
Come again some other day
The devil has my ear today
I'll never hear a word you say
Promised I would find a little solace
And some peace of mind
Whatever, just as long as I don't feel so

Desperate and ravenous
So weak and powerless
Desperate and ravenous
So weak and powerless
Over

Over you
