

# A Perfect Murder, Prophet On A Lie

Spreading your lies  
And preaching like a prophet  
For all those gone beyond  
(For you) I'll never sacrifice my life.  
I should be in fear of your judgment  
But for now and ever I rise above them.  
I won't hear you  
Never feel you I don't bare your marks.  
I should be in fear of your judgment  
But for now and ever I rise above them
