

A Perfect Murder, Savior

You're Not My Savior
And You Never Will Be
Blame Me, Because I Never Worshiped Your Lies
Chanting Your Hymns To A Ghost
It Will Never Save You
You're Not My Savior
And You Never Will Be

Can You See That He's Slowly
Pulling You In His Wrath?
He's Sucking The Life From Your Heart
So You Can't Ever Go Back

Haunted By Your Demons
You Feel So Alone
Don't You Feel Alone?
