

A Perfect Murder, Time Bomb

It All Started As A Game
You Said Lets Fucking Try It
Just For Fun, Just Like Everyone Else Did
But You Got Played In Your Own Game
But You Got Played In Your Own Game
Your Life Is A Time Bomb
Your Life Is A Time Bomb

It Happened So Quickly
It Took Your Everything
And Now Your Life Is A Living Hell
Your Heart Is Pumping Poison
Your Lungs Can Barely Breathe
And Now Your Sitting On A Timebomb

You Got Played In Your Own Game
You Got Played In Your Own Game

It All Started As A Game
But Your Eyes Are Shut, Forever
