A Love From Outer Space

She loves me she loves me she loves me

A love from outer space

It's true

I know where she's coming from

Space is where we both belong

Got to tell her in this song

This time, love, we can't go wrong

She comes arriving via space express

Meet the girl who (?)

(?) guest

Just can't wait for her caress

She comes from milky way

She's come to earth on my birthday

(?)

(?)

Shalalalalalala hey

She loves me she loves me she loves me

A love from outer space
