Down

Stay down

Oh stay down

Just stay down

Little fingers pushing

Little fingers push me over

Little fingers push me

Little fingers push me over

I can see the skinny trees singing

I can hear the church bells ringing

I can see the skinny trees singing

I can hear the church bells ringing

Oh stay down

Just stay down

Oh stay down

Just stay down

I'm gonna take you down

I'm gonna take you down

Down

Stay down

Oh stay down

Just stay down

Down.
