Snow Joke

Last night seen in the sky  
Silver's (?) bright we be flying high  
It's just a dream it's just a dream  
It's just a dream and we're all dreaming

'snow joke

A little boy fell to the ground  
Spilled his little seed he was gonna fall  
It's just a dream it's just a dream  
It's just a dream and we're all dreaming

From on the ground to overhead  
No space between nothing to fear  
Don't take a chance just come with me  
We'll hold hands and you will see

It's no joke
