

A-Teens, For All That I Am

A-Teens
Teen Spirit
For All That I Am
i'm sorry, made you feel sorry

Last night, i came home too late
And you were there waiting
I know, it's easy to call
I guess i wasn't thinking of you
It's not that i don't care
You should know me better by now

I am sorry if i made you lonely and sad
I am sorry i made you feel bad
What i'm trying to say
I'm not always that way
So love me for all that i am

I know (i know) i often forget
To say that i love you (that i love you)
And yes (and yes) i truly regret
The times that i might have hurt you that way
It's not that i don't care
You should know me better by now

I am sorry if i made you lonely and sad
I am sorry i made you feel bad
What i'm trying to say
I'm not always that way
So love me for all that i am

True, i may defend the things i do
Though i know deep down i've done wrong
But when the heat comes down it's you
(it's you) that keeps me going on

For all that i am
I'm sorry, made you feel sorry
Trying to say that i'm not always that way
Love me for all
I am sorry if i made you lonely and sad
I am sorry i made you feel bad
What i'm trying to say
I'm not always that way
So love me for all that i am
(for all that i am) that i am
(for all that i am)
