

# A\*Teens, Hi And Goodbye

I see you walking down the street  
I catch your eye before we meet  
But you look down to check your feet  
I wish I'd say Are you okay?  
You're looking better everyday  
But I just smile and walk away  
Why did two lovers end up like strangers?  
When did we stop see eye to eye?  
Everyday you took my breath away  
But now there's no reply, only hi, goodbye  
Like a dream come true  
When it was me and you  
Now I just don't know why  
We say hi and hi and goodbye  
Hi and goodbye  
I know it sounds like a clich  
But when I pass our old caf  
It almost feels like yesterday  
We shared a blanket in the cold  
To give a promise made of gold  
We had a deal through heart and soul  
Why did two lovers end up like strangers?  
When did we stop see eye to eye?  
Everyday you took my breath away  
But now there's no reply, only hi, goodbye  
Like a dream come true  
When it was me and you  
Now I just don't know why  
We say hi and hi and goodbye  
I remember the way  
We always had words to say  
And nothing could tear us apart  
I knew you by heart, we were eye to eye  
Now we're only hi and goodbye  
Hi and goodbye  
Everyday you took my breath away  
But now there's no reply, only hi, goodbye  
Like a dream come true  
When it was me and you  
Now I just don't know why  
We say hi and hi and goodbye  
Everyday you took my breath away  
But now there's no reply, only hi, goodbye  
Like a dream come true  
When it was me and you  
Now I just don't know why  
We say hi and hi and goodbye  
Hi and goodbye  
Hi and goodbye  
Hi and goodbye  
Ooh, hi and goodbye  
Goodbye
