

# A\*Teens, In The Blink Of An Eye

Hey, is there something I can do?  
He broke your heart into many pieces  
Now you gotta put it back again  
Now, when you're trying to make it through  
And you're feeling kind of blue  
I'll be there to tell you  
That things will change  
When you turn around  
All the tears will dry  
Whatever was lost will be found  
In the blink of an eye  
When you're losing ground  
Hold your head up high  
Whatever was lost will be found  
In the blink of an eye  
Hey, I know I should be sinking deep  
I know I ought to weep  
Like a baby  
But it's really not that bad  
'Cause when my heart was aching  
When my world was shaking  
You were there to tell me  
That things would change  
When you turn around  
All the tears will dry  
Whatever was lost will be found  
In the blink of an eye  
When you're losing ground  
Hold your head up high  
Whatever was lost will be found  
In the blink of an eye  
I thought my heart was on the mend  
Now I'm falling for a friend  
Someone who was there for me  
When things were changing  
In the blink of an eye  
Everything changes  
In the blink of an eye  
What is lost can be found  
When you turn around  
All the tears will dry  
Whatever was lost will be found  
In the blink of an eye
