

# A\*Teens, Morning Light

Once upon a time I was a young man  
Always knew what I wanted to do  
These times were still the best as I remember  
'Cause nothing was impossible to me  
Then one day I met you and I still wonder  
How you could make my dreams come true so fast  
I doubted that such a miracle would happen  
But you saw something deep inside of me  
I believe in the morning light  
When I know you'll be calling  
I believe in the morning light  
When I know you'll be there  
I believe in the morning light  
Where I know I will see your face again  
You will be free, you'll be there  
I can't accept the fact that you are gone now  
Somehow there is a way, just tell me how  
I'll stay around as long as it may take you  
To turn around and see that I'm still here  
I believe in the morning light  
When I know you'll be calling  
I believe in the morning light  
When I know you'll be there  
I believe in the morning light  
Where I know I will see your face again  
You will be free and you'll be there  
I believe the morning light  
I believe in the morning light  
I believe the morning light  
I believe in the morning light  
I believe in the morning light  
I believe in the morning light  
When I know you'll be calling  
I believe in the morning light  
When I know you'll be there  
I believe in the morning light  
Where I know I will see your face again  
You will be free  
I believe in the morning light  
When I know you'll be calling  
I believe in the morning light  
When I know you'll be there  
I believe in the morning light  
Where I know I will see your face again  
You will be free and you'll be there
