

# A Thorn For Every Heart, You're The One

Life's a circle and it spins me around.  
A broken record always making the same sound.  
Target time I get my hopes up just to find I only get let down.  
Like a season that refuses to change.  
A stubborn winter growing colder every day.  
Give me something that can warm me up again.  
I swear to let it in.  
You're my something.  
You are my everything.  
You're the one that makes me feel alive.  
You end my suffering.  
You end my misery.  
You're the one that makes me feel alive.  
You can run, you can run, you can run away.  
I would find you and convince you to stay.  
You the one who, who can warm me up again.  
I swear to let you in.  
You can run, you can run, you can run away.  
I would find you and convince you to stay.  
You the one who, who can warm me up again.  
I swear to let you in.  
Like an ocean I just keep making waves.  
You are my vessel with an anchor that will never stray  
You're the one who, who can wake me up again.  
I swear to let you in.  
You're my something.  
You are my everything.  
You're the one that makes me feel alive.  
You end my suffering.  
You end my misery.  
You're the one that makes me feel alive.  
You can run, you can run, you can run away.  
I would find you and convince you to stay.  
You the one who, who can warm me up again.  
I swear to let you in.  
You can run, you can run, you can run away.  
I would find you and convince you to stay.  
You the one who, who can warm me up again.  
I swear to let you in.
