

A Whisper in the Noise, True Love Will Find You

True love will find you in the end
You'll find out just who's your friend
Don't be sad, I know you will
But don't give up until
True love will find you in the end
This sits a promise with a catch
Only if you're looking can it find you
True love it's searching too
But how can it recognize you
Unless you step out into the light, the light?
Don't be sad, I know you will
But don't give up until
True love will find you in the end
