

# A Whisper in the Noise, True Love Will Find You

True love will find you in the end  
You'll find out just who's your friend  
Don't be sad, I know you will  
But don't give up until  
True love will find you in the end  
This sits a promise with a catch  
Only if you're looking can it find you  
True love it's searching too  
But how can it recognize you  
Unless you step out into the light, the light?  
Don't be sad, I know you will  
But don't give up until  
True love will find you in the end
