It must have been cold there in my shadow
To never have sunlight on your face
You've been content to let me shine, that's your way
You always walked a step behind
I've been the one with all the glory
While you've been the one with all the strength
A beautiful face without a name
I never once heard you complain
Did you ever know that you're my hero?
You're everything I would like to be
I could fly higher than an eagle
You are the wind beneath my wings
It might have appeared to go unnoticed
But I've got it all here in my heart
I want you to know I know the truth
That I would be nothing without you
Did you ever know that you're my hero?
You're everything I would like to be
I could fly higher than an eagle
You are the wind beneath my wings
Did you ever know that you're my hero?
You're everything I would like to be
I could fly higher than an eagle
You are the wind beneath my wings
Thank you, thank you
I thank God for you, the wind beneath my wings
