

# A1, Do It Again

You just found heaven  
It's safe to say  
You do it again

It's been a while since you needed a shoulder to cry on  
Now you're coming to me for a helping hand  
You're out all night, fooling around  
It's just ain't right  
The way you're letting her down  
It's the same old story time after time

Take a look at your life  
You just found heaven  
And threw it away  
It's safe to say  
You do it again

You just can't get it right  
But I'll be here for you my friend  
Just like before  
You do it again

How can you turn your back on a girl you rely on?  
Then you leave it to me to try and turn it around  
Now you're up all night, head in your hands  
How can I, help you understand?  
It's the same old story time after time

Take a look at your life (Take a look)  
You just found heaven  
And threw it away  
It's safe to say  
You do it again (No, you do it again)

You just can't get it right (Oh no, you can't)  
But I'll be here for you my friend  
Just like before  
You do it again

I can't believe you did it again  
You're only breaking your heart like this  
Just tearing you apart and then  
You're right back where you started  
Oh baby

(Instrumental Break)

Now you're up all night, head in your hands  
How can I, help you understand?  
It's the same old story time after time  
Oh baby

Take a look at your life (Take a look)  
You just found heaven  
And threw it away  
It's safe to say  
You do it again

You just can't get it right (No, no, no, no)  
But I'll be here for you my friend  
Just like before  
You do it again

Take a look at your life

You just found heaven  
And threw it away  
It's safe to say  
You do it again (No, you do it again)

You just can't get it right (Oh no, you can't)  
But I'll be here for you my friend  
Just like before...
