

Aaliyah, Aaliyah - More Than A Woman

Passion, instant
Sweat beads fill me
Cupids shot me
My heart beat's racing
Tempt me, drive me
Feels so exciting
Thought of highly
It's yours entirely, I'll be
I'll be more than a lover
More than a woman
More than your lover, I'll be
I'll be more than a lover
More than a woman
More than enough for you, I'll be
I, I'll be more than a lover
More than a woman
Even more undercovers, I'll be more
I'll be more than a lover
More than a woman
More than enough for you
Midnight grindin'
Heart rates climbin'
You go, I go
'Cause we share pillows
Taste me, feed me
There's still no separating
Mornin' massages
With new born's in your closet, I'll be
I'll be more than a lover
More than a woman
More than your lover, I said I'll be
I'll be more than a lover
More than a woman
More than enough for you, I'll be more
I, I'll be more than a lover
More than a woman
Even more undercovers, I'm gonna be more
I'll be more than a lover
More than a woman
More than enough for you
I don't think you're ready
I don't think you're ready for this thang
I don't think you're ready for this thang
I don't think you're ready for this thang
I don't think you're ready for this thang
Constant pleasures
No scale can measure
Secret treasures
Keeps on getting better, yeah
Do you wanna roll with me?
We can go to foreign lands
Your hand in my hand
Do you wanna ride with me?
We can be like Bonnie and Clyde
Me by your side
I'll be more than a lover
More than a woman
More than your lover
I'll be more than a lover
More than a woman
More than enough for you
I, I'll be more than a lover
More than a woman
Even more undercovers

I'll be more than a lover
More than a woman
More than enough for you
