

Aaliyah, Back In One Piece

There we go okay, okay
Don't do me greasy okay
Uh, ay yo, you know what a dog needs
Do you really know what a dog needs?
Uh a dog needs a bitch
What, what? A dog needs a bitch
Come on, not just any bitch but a real bitch
That's gonna hold that dog down
Baby, I am what I am, I'm gon' be who I be
Everything from chasing a cat to pissin' on a tree
Let me see what I gotta see, do what I gotta do
Dog for life but keep it true
Every once in a while
I'll break out the backyard to roam
And get reckless
But I still know that home is home
And when I get there I'ma sit there
Take a shit there put my dick there
Do I handle my business?
Shit yeah
I'ma run 'til I bust my gun and empty the clip
Never come home
I gotta go just gimme the whip
I ain't got time for the lip
Just open the fence
Let me go I'll come back
I ain't got time to convince
Ever since I was a pup
I've been stuck with the street shit
Keep the heat shit
Fuck it nigga gotta eat
I past on the weak shit
If it's out there I want it
All at one time
So when it's my time
I've done it
I know you kill for me
You'll die for me
I know you like to rip
And run the streets
But I get nervous sometimes
Oooh baby, I can't help to think
You might not make it home to eat
I barely sleep
Could you pick up the phone
And call me at home?
And let me know
You ain't in some heat
And don't go crying, you're grown
You know I'm lookin' out for you
'Cause you be lookin' out for me, me, me
Yo you can go with your dogs
If you make this promise to me
You make it back in one piece
So you can go head and ball
If you make this promise to me
You make it back in one piece
'Fore you go betting it all
If you make this promise to me
You make it back in one piece
I know you up in it all
If you make this promise to me
You make it back in one piece, piece, piece
And oh boy, I know you go to do what you do

(Uh, uh, uh)
You're makin' moves
I'm makin' moves yo we coo
(What? What? What?)
Lay on your paws
I got your back if you fall
Hey, hey nothin's too big
Nothin's too small just go ball, yeah
Uh, dog tags around me neck the streets are mine
I might leave the heat behind
'Cause in the streets I'm fine
That's why niggas sleep 'til nine
Out by ten back by ten, sleep 'til nine, do it again
If you love somethin' let it go
If it comes back to you, it's yours
If it doesn't fuck it, you'll never know
You got me I got you
Dog with a dog, ride 'til we die
If it's on then it's on
Yo you can go with your dogs
If you make this promise to me
You make it back in one piece
So you can go head and ball
If you make this promise to me
You make it back in one piece
'Fore you go betting it all
If you make this promise to me
You make it back in one piece
I know you up in it all
If you make this promise to me
You make it back in one piece, piece, piece
Yo you can go with your dogs
If you make this promise to me
You make it back in one piece
So you can go head and ball
If you make this promise to me
You make it back in one piece
'Fore you go betting it all
If you make this promise to me
You make it back in one piece
I know you up in it all
If you make this promise to me
You make it back in one piece, piece, piece
Yo you can go with your dogs
If you make this promise to me
You make it back in one piece
So you can go head and ball
If you make this promise to me
You make it back in one piece
'Fore you go betting it all
If you make this promise to me
You make it back in one piece
I know you up in it all
If you make this promise to me
You make it back in one piece, piece, piece
