

Aaliyah, Extra Smooth

So

He got big brown eyes so he built nice
Coming on strong six pack showing
He's too cool for his own shoes
Nothin' rude but way too sure for me
He tryna be extra smooth, extra smooth
Extra cool, extra cute
Am I supposed to talk to you, be your boo
Don't come tryna be extra smooth

So

He got line for line wastin' my time
Frontin' in da ride, tryna catch my eye
Disturbing my groove tryna be smooth
Get the boot
Boy you can go ahead
And work on yourself another quick romance
A little too hot for me
You act like you've already got the number
I wish you quit tryna be extra smooth, extra smooth
Extra cool, extra cute
If I'm suppose to talk to you, be your boo
Don't come tryna be

Tryna be extra, extra, extra smooth
Extra, extra, extra cool
I won't talk to you, won't be your boo
Extra, extra, extra
Tryna be extra, extra, extra smooth
Tryna be extra, extra, extra smooth
Extra, extra, extra cool
I won't talk to you, won't be your boo
Extra, extra, extra
Tryna be extra, extra, extra
Tryna be extra, extra, extra smooth
Extra, extra, extra cool
I won't talk to you, won't be your boo
Extra, extra, extra
Tryna be extra, extra, extra
Tryna be extra, extra, extra smooth
Extra, extra, extra cool
I won't talk to you, won't be your boo
Extra, extra, extra
Tryna be extra, extra, extra smooth
