

Aaliyah, Forn Give Me

chrous: can you you forgive me what I have done
I been trying to tell you what I have done.
you our love just don't let me go
I know you can hear me I just want you to move to my room.
I been trying to call you and I know it been hard for you
going throw your pain that I cause you
just tell me how I can make it butter
make some improvement to your world.
you can just e-mail and I answer righgt back
just go back to the chrous:cas
