

Aaliyah, I Miss You

It's been too long and I'm lost without you
What am I gonna do
Said I been needin' you
I'm wantin' you
Wonderin' if you're the same
and who's been with you
Is you're heart still mine
I want to cry sometimes
I miss you
Off to college
Yes you ran away
Straight from high school
You up and left me
We were close friends
Also lovers
Did everything for one another
Now you're gone
And I'm lost without you here now
But I know I gotta live and make it somehow
Come back to me
Can you feel me (callin')
Hear me (callin' for you)
For you
It's been too long and I'm lost without you
What am I gonna do
Said I been needin' you
I'm wantin' you
Wonderin' if you're the same
and who's been with you
Is you're heart still mine
I want to cry sometimes
I miss you
Now I'm sittin' here
Thinkin' 'bout you
And the days we used to share
It's drivin' me crazy
I don't know what to do
I'm just wonderin' if you still care
I don't want to let you know
That it's killin' me
I know you got another life
You got to concentrate
Baby
Come back to me
Can you feel me (callin')
Hear me (callin' for you)
For you
(2x) It's been too long and I'm lost without you
What am I gonna do
Said I been needin' you
I'm wantin' you
Wonderin' if you're the same
and who's been with you
Is you're heart still mine
I want to cry sometimes
I miss you (x2)
I-I-I-I-I-I (x2)
Miss you
I-I-I-I-I-I
I can't breath no more (no more)
Since you went away i dont really feel like talking
I don't wanna hear you love me
Baby do you understand me
I can't do a thing without you

It's been too long and I'm lost without you
Tell me what I'm gonna do
Said I've been needing you
wanting you
Wondering if you're the same
And who's been with you
Is your heart still mine
I wanna cry sometimes
I miss you
It's been too long and I'm lost without you
What am I gonna do
Said I been needin' you
I'm wantin' you
Wonderin' if you're the same
and who's been with you
Is your heart still mine
I want to cry sometimes
I miss you
It's been too long and I'm lost without you
What am I gonna do
Said I been needin' you
I'm wantin' you
Wonderin' if you're the same
and who's been with you
Is your heart still mine
I want to cry sometimes
I miss you
