

# Aaron, Beautiful Scar

Into the streets of your mind  
I get lost once in a while  
crystal clear antagonism  
your soul is not the right one for me  
baby doll you're a porn soul  
baby doll you're a porn soul  
sexy beast upon my chest  
dark angel sucked all the best  
this is a brainwashing process  
deep in my consciousness  
and homeless soul  
i'm your prom doll  
you made a few plans on your own  
meanwhile I danced alone  
even though we went too far  
you're my most beautiful scar  
and baby doll you're a porn soul  
homeless wall I'm your prom doll  
is it still worth fighting,  
is it still worth begging  
know how heaven looks like  
let's try hell it might be right  
baby doll you're a porn soul  
homeless wall I'm your prom doll.
