Oh Aaron

Aaron Carter feat. Nick Carter And No Secrets

Oh Aaron

For me to begin is

The other day I was hanging

With some friends

Going around the room talking

About our favourite noise

I said I had a brother

In the Backstreet Boys

So everyone screamed

"Hey is this some kinda trick

Yeah, which one is he?"

[Aaron:]

The blond one, Nick

Then the cutest girl said:

"I have to see their show

But I have no ticket, Aaron

How can I go?"

[Aaron:]

Your wish is my command

See it's no problem, hon

In fact I'll get some tickets

Here for everyone

All i gotta do is just pick up my celly

And its a done deal

Let me call Nick and tell him

By the way Aaron

If you could, while you're at it

Can you hook up some seats

For my friends and my parents?

[Aaron:]

So I said to myself

"Well heck, why not?

There's nothing that can

Beat the connection I got"

Aaron, oh Aaron

What are you going to do?

You make empty promises

Oh so big

Man

How gonna make

Them come true?

I don't know

Aaron, oh Aaron

What are we going

To do with you?

Always a makin'

A bigger mistake

Always a-makin'

A fool

[Aaron:]

Yo, I gotta make a phone call

[Nick:]

Hello?

[Aaron:]  
Hey Nick  
I need a favour from you, dude  
I promised people tickets  
So you gotta come through

[Nick:]  
Sure, bro  
How many do you need?

[Aaron:]  
1, 2, uh, 3003

[Nick:]  
What?  
I can get you maybe a dozen  
You can't promise seats to  
Everyone and their cousin  
What did you do?  
How'd you get in this mess?

[Aaron:]  
I was talking to this girl

[Nick:]  
Hold your breath  
I know the rest  
Guess you better get yourself  
A whole lotta money

[Aaron:]  
For 3000 tickets?  
Nick, that's isn't funny  
How'm I supposed to pull  
That off in so little time?

[Nick:]  
You got me, Aaron  
That's your problem  
Not mine

Aaron, oh Aaron

[Aaron:]  
What do I do?

What are you going to do?  
You make empty promises  
Oh so big

[Aaron:]  
What?

How gonna make  
Them come true?  
Aaron, oh Aaron

[Aaron:]  
What?

What are we going  
To do with you?

[Aaron:]  
I don't know

Always a makin'  
A bigger mistake

[Aaron:]  
So, it was just one mistake

Always a-makin'  
A fool

[Aaron:]  
Whatever

[Aaron:]  
How in the world could  
He do that to me?  
I thought we were blood  
I thought we were family  
We'll get into the show  
We'll get good seats  
Everyone on the bus  
You're all coming with me  
I'm tellin' you guys  
When we get to the gate  
He can never say "No"  
When he looks at my face  
Hook me up  
Nick, man, I swear  
I'll pay you back

[Nick:]  
Well come to think about  
We need an opening act

[Aaron:]  
What do you want me to do  
Tell jokes, dance, act?

[Nick:]  
Nah, I want you on stage  
I want you to rap  
'Cause if you don't  
You're gonna have  
Some disappointed friends  
And by the way  
You're on at eight  
That's when the show begins

Aaron, oh Aaron  
(Come on)  
What are you going to do?

[Aaron:]  
Man

You make big promises  
Oh so big  
(What?)  
How you gonna make  
It come true?

[Aaron:]  
One promise man

Aaron, oh Aaron  
What are we going  
To do with you?  
(Whatever)

[Aaron:]  
I'm desperate

Always a-makin'  
A bigger mistake  
(Will you be quiet?)

[Aaron:]  
I'm desperate, man

Always a-makin'  
A fool

Aaron, oh Aaron  
(Put your hands up)  
What are you going to do?  
You're making up promises  
Oh so big  
How can you make it  
Come true  
Aaron, oh Aaron  
What are we going  
To do with you  
Always a-makin'  
A bigger mistake  
How can you make it  
Come true

Now opening up  
For the Backstreet Boys  
Give it up for  
Aaron Carter  
(Whatever)
