

# Aaron Carter, My mama told me I'm too young to

Oh if someone writes a song  
With a simple rhyme  
Just a song, where his feelings show  
And if someone feels the same  
About that simple song  
Oh, sometimes, you can hear them say  
Music gives you happiness or sadness  
But it also, it also heals your soul  
Let the music heal your soul  
Let the music take control  
Let the music give you the power to move any mountain  
Oh, if someone plays piano  
With some simple chords  
So melodic, and endearing too...  
I know if someone plays guitar  
With the old piano  
And maybe, you can hear them sing  
Music gives you happiness or sadness  
But it also, also heals your soul  
Let the music heal your soul  
Let the music take control  
Let the music give you the power to move any mountain  
oh yes...  
Let the music heal your soul  
Let the music take control  
Let the music heal your soul  
oohhh, oh yes...  
Let the music heal your soul  
Let the music take control  
(In your soul...)  
Let the music heal your soul  
(heal your soul...)  
Let the music take control  
Let the music take control  
Let the music heal your soul  
(yeeeeeahhh...)  
Let the music take control  
Oh yes...  
Let the music heal your soul  
Everybody sing...  
Let the music take control  
(Let the music take control)  
Let the music heal your soul  
Let it heal your soul...)  
Let the music take control  
Let the music heal your soul  
Let the music take control...
